

Stop wondering which debt to tackle next.

Debt Snowball Worksheet

Smallest balance first, one debt at a time

1 List and number

Write each debt below. Number them in the Order column, smallest balance first.

2 Pay the minimums + extra

Each month, pay the minimum on every debt, plus your extra amount on debt #1.

3 Roll it forward

When a debt is paid off, add its minimum to your extra amount and move on to the next one.
